

# HOW TO CONSENT TO ONLINE VOTING

This user guide offers step-by-step instructions on how to consent to online voting within your ONR account for your association.

## IMPORTANT NOTICE FOR FLORIDA ASSOCIATION MEMBERS

Florida law requires that homeowners must complete an **opt-in consent form** to participate in online voting for their association. This guide provides step-by-step instructions to ensure compliance with state statutes and successfully submit your consent form.

### 1 Log into your ONR account

Enter your **username and password**.

### 2 Locate the digital opt-in form: The opt-in consent form should be visible upon entry.

Or if you don't see it upon entry, click the **"hand icon"**

Then select **"CONSENTS & APPROVALS"**

Select the blue **"SIGN CONSENT"** button on the Unit Consent form.

### 4 Your unit(s) will be displayed; select the relevant unit(s).

Click **"SIGN CONSENT"** to proceed to the next screen.

In the **"Print Name"** field box, click or tap to activate your cursor and type your name.

For your signature, draw it inside the white **rectangular signature field** to position it where you want your signature to start.

Finish toggle the **"I CONSENT"** button from **"OFF"** to **"ON."**

**SUBMIT CONSENT**

### 6 Click or tap **"SUBMIT CONSENT."**

## Congratulations!

You've successfully submitted your Consent to Online Voting form for review. **Management will review and validate your form** - you will receive an email notification when approved or denied.
