

IT'S TIME TO PUT YOUR ACCOUNTS PAYABLE PROCESS IN CHECK

INTRODUCING

Obsolete accounting processes don't just frustrate your employees: they eat up time, savings, and dramatically increase the chance for check fraud. **CINC VendorPay** is the only service in community association management that offers end-to-end efficiency in your AP processes.

WHY CHOOSE VENDORPAY?

FAST

Convert paper checks into **faster electronic payments**.

SAFE

Eliminate check fraud losses through VendorPay's clearing account process with AvidXchange - keeping you check fraud free.

PAPERLESS

Eliminate check runs and manual processes - **saving time and money**.

INTEGRATED

Fully integrated within CINC so your team doesn't have to onboard a new software.

HOW IT WORKS

- 1** Import and approve vendor invoices in CINC, just like all other invoices in CINC.
- 2** Select CINC VendorPay as the payment type.
- 3** AvidXchange pays your vendor the way they want to be paid.
- 4** Payments auto-reconcile in CINC, as they do today with more detailed payment history at your fingertips.
